

**CITY OF HUNTINGTON BEACH  
MEMBER OF THE CITY COUNCIL**

**KEITH BOHR**

**OCCUPATION:** Small Business Owner

Huntington Beach's strength is our quality of life. Our beaches, ocean, weather and people are unique and special.

As a business owner I'm running for City Council because I'd like to help all residents, families, and business owners realize their dreams for an even better tomorrow right here in Huntington Beach.

Your vote for Keith Bohr means a commitment to:

- Fight to keep our beaches and water cleaner and safer for our children.
- Grow our local economy and helping to make Huntington Beach a viable place for business.
- Maintain our low crime rate.
- Increase conservation and preservation of our natural heritage.
- Meet our infrastructure needs such as improving our sewer and water lines, storm drains and public streets.
- Enhance the delivery of city services by streamlining processes, improving morale and treating city employees as the valuable professionals they are.
- A fiscally responsible approach to local government spending without increasing taxes on city residents.

I firmly believe if we work together, we can make Huntington Beach an even better place to live, raise families and for businesses to thrive - all providing for the promise of a better tomorrow for all of our residents.

I would appreciate your vote.
